## 2017 Recital Registration Form

Due By Thursday Dec. 22, 2016

The recital for this school year is Saturday June 3, 2017. There will be a **mandatory** rehearsal on the Thursday or Friday before the show day. There is an early and a late show, with each class being in one or the other, not both. All students in 3 year old dance classes and older have the opportunity to participate and be a part of the recital. In order to receive all the costumes in time, it is important to order early, therefore I need to know if your son or daughter will be participating in this year's recital. Costumes run from \$50.00 to 90.00 per costume depending on the dance. Generally ages 3-5 are on the cheaper side. If I do not receive this form in time there is a potential you will not get a costume.

Please fill out the form below to indicate your decision about performing in the recital. A \$50.00 **non-refundable** deposit is to be included with this form for each costume in each class being purchased. Please take extra time to fill it out and make sure you have indicated the right class, day, time, and teacher. Also, ask Roland for the show time to know if your son/daughter is in the early show or the later show. **If you change any classes at any time, I will need a new recital registration form in order to get the right costume.**

If you have more then one class or more then one child in dance, they may be in separate shows, do not assume for any reason they will be in the same show.

Costumes are a generic fit. In some cases the costumes may need to be altered or reordered for sizing. We have a seamstress on hand for this.
